

Named after Deadwood, the historic gold rush town in South Dakota that attracted Wild West legends such as Wild Bill Hickock and Calamity Jane in the 19th century. The bar nods to Deadwood's watering hole, Deadwood Gulch Saloon, where highwaymen would meet over a nip of whisky.

This banger of a bar will have you knee slappin' and boot scootin' before you know it. Our ethos is very simple - Country, Cocktails, Whiskey & Bloody Cold Beer!

Enjoy.

Team Deadwood.
